

## **BEHAVIORAL & INTEGRATIVE**

### **NEUROSCIENCE**

Cognitive Neuroscience  
Theoretical and Computational Neuroscience  
Basic Behavioral and Systems Neuroscience

### **BEHAVIORAL SCIENCE**

Cognitive Science  
Emotional Processes  
Biobehavioral Regulation  
Personality and Social Cognition

### **CLINICAL NEUROSCIENCE OF SCHIZOPHRENIA, MOOD & OTHER BRAIN DISORDERS**

Developmental  
Molecular and Cellular  
Integrative Neuroscience  
Clinical Neuroscience Centers

### **GENETICS**

Neural Function  
Behavior  
Schizophrenia, Mood and Other Brain Disorders

### **MOLECULAR & CELLULAR NEUROSCIENCE**

Signal Transduction  
Developmental Neurobiology  
Neuroendocrinology and Neuroimmunology  
Psychopharmacology  
Neuropharmacology and Drug Discovery  
Clinical Therapeutics

### **TRANSLATIONAL RESEARCH & SCIENTIFIC TECHNOLOGY**

Basic Neuroscience Centers  
Neurotechnology  
Small Business Innovation Research  
Small Business Technology Transfer

### **RESEARCH TRAINING & CAREER DEVELOPMENT**

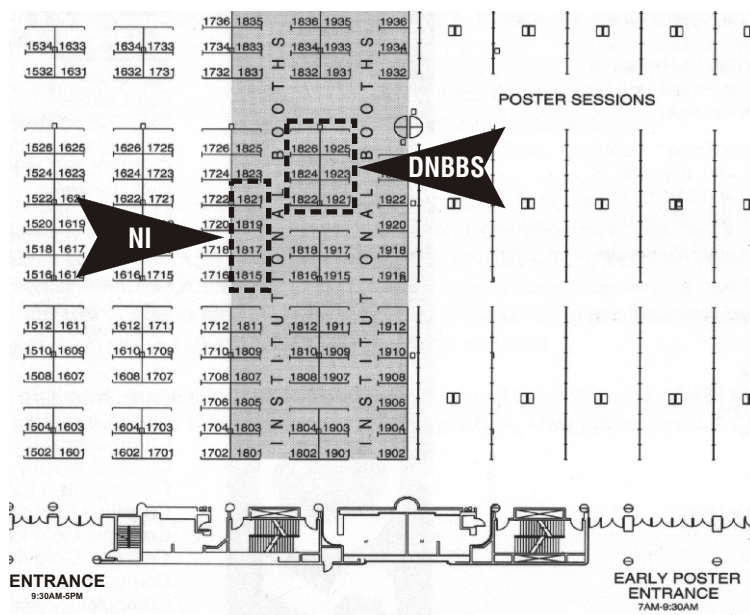

Institutional Training  
Mentored Career Development  
Mental Health Education  
Individual Fellowships

National Institute of Mental Health

## **►DIVISION OF NEUROSCIENCE AND BASIC BEHAVIORAL SCIENCE**

## **►OFFICE ON NEUROINFORMATICS**

### *Please Visit Our Booths*

#### **Division of Neuroscience and Basic Behavioral Science**

Booth #'s: 1822,1824,1826,1921,1923,1925

#### **Office on Neuroinformatics**

Booth #'s: 1815,1817,1819,1821
